WORLD HERITAGE WALKING TOUR

Booking your flights

Important information when booking your flights:

Our tours are designed to make the absolute most of your time here in New Zealand and we like to hit the ground running and get you out into the wilderness of New Zealand as soon as possible. As such, it means there is little to no flexibility in the pickup times as we often have deadlines to meet. It is the same for the drop-off times on the last day of the tour, you may be travelling from remote locations or we may have activities planned for that day to make the most of your time in New Zealand. Please take this into consideration when booking your flights

Airport Arrival and Departures:

- Arrive on day one to Christchurch **no later than 8.00am** International **8.30am** Domestic
- Depart on the final day from Christchurch **no earlier than 6.00pm** International **5.00pm** Domestic
- **IMPORTANT:** Make sure you check the check-in and bag drop requirements for your specific airline

If you have any questions at all about flights please talk to us **before** you book them so we can make sure that it will work in with the trip and other travellers.
